MEETING

BY Sol Raci

Welcome to the Psychobilly Meeting in Pineda de Mar one more time !

In this 29th edition, we are thrilled to welcome you back to the epicenter of Psychobilly with all the alternative music that surrounds this genre, at the world's oldest and most prominent festival, that unites a bunch of mutant rockers from all corners of the globe.

Get ready to enjoy three unique stages! The Main Stage in the Psychobilly Meeting Village, back to Can Xaubet, will be the center of action. The Beach Bar Stage at the legendary Santi's Beach Bar, located on the beach of Pineda de Mar, where you will enjoy the music to the rhythm of the waves, and not forget our beloved Hasil Adkins Stage, bigger this year and also transformed into a marvelous dance floor, the wildest stage of the festival, dedicated to the darker sounds of Rock And Roll in the Psychobilly Meeting Village.

But you already know that the Psychobilly Meeting is not just about music! It's about creating something special in an incomparable atmosphere which you won't find it at any other festival. Here, all cultures blend with a common goal, to have a great time and live the most expected week of the year!

As always, we have prepared a diverse and exciting program that will make you groove, with great record hops, unique clothing and accessories market, and the legendary costume and foam party at the beach, with many surprises.

So, enjoy another year with your friends at the beach where the music and fun never end. This is your festival, and you are about to have an unforgettable experience!

Be a Pinedamned, be a survivor of the Psychobilly Meeting!

JUST FOR FUN !

Bienvenidos un año más al Psychobilly Meeting de Pineda de mar !

En esta 29ª edición volvemos a recibirlos al epicentro del Psychobilly y toda la música alternativa que rodea este género, en el festival más longevo y destacado a nivel mundial que reúne a todos los rockers mutantes de todos los rincones del mundo.

Prepárate para disfrutar en tres escenarios únicos ! El Main Stage en el Psychobilly meeting Village este año de vuelta a Can Xaubet será el epicentro de la acción, mientras que el Beach Bar Stage en el legendario Santi's Beach Bar, ubicado en la playa de Pineda de mar, te hará disfrutar de la música a ritmo de las Olas. Y sin olvidar nuestro querido Hasil Adkins Stage, este año mucho más grande y convertido también en una maravillosa pista de baile durante todo el evento, el escenario más salvaje del festival, dedicado a los sonidos más oscuros del Rock And Roll en el Psychobilly Meeting Village.

Pero ya sabes que el Psychobilly meeting no es sólo música y es que lo mejor lo creáis todos vosotros con un ambiente incomparable que no encontraréis en ningún otro festival. Aquí todas las culturas se mezclan con un objetivo común : pasarlo bien y vivir la semana más esperada del año ! Como siempre os hemos preparado una programación completa y variada que os hará vibrar, mercadillo con discos, ropa y complementos únicos y el mítico fin de fiesta de disfraces y fiesta de la espuma en la playa con muchas sorpresas.

Así que disfruta con tus amigos en la playa un año más y únete a la fiesta playera donde la música y la diversión nunca terminan, este es vuestro festival y estáis a punto de vivir una experiencia inolvidable !

Sé un Pinedamned, sé un superviviente del Psychobilly Meeting !
